FAQ

- Can I choose my elective before arriving? Yes, in the Console, any time before 19:15.
- What if I cannot attend today? Reply to the Telegram bot before 19:00. Attendance confirms your place; if you arrive later this week, contact your tutor on arrival and complete the first-week LMS makeup activity due 13 September.
- When do I get my Certificate of Acceptance? After your attendance is verified tonight and approved, it is delivered privately via Telegram during this week.
- When do I receive LMS credentials? Privately, after your section is assigned. Never share them in group chats.
- Do I get an Azure account? Yes, an individual practice account. Your sign-in name appears in the Console under Personal Azure; the password is delivered privately.
- How do weekly mock tests work? One 12-question mock per week at /student/learn/mocks. Week 1 is open from Tuesday 19:00 to Sunday 23:59.
- When are the AI-901 certification exams? Round 1: 19-23 October. Round 2: 16-20 November. Staff handle booking and vouchers.
- Hackathon and teams? Completion ceremony and hackathon on Saturday 28 November. Project teams of five form on Thursday 10 September with your tutor.
- What do I need to complete the program? At least 75 percent attendance (9 of 12 weeks), grade D or above in AI-901 and your elective, and the midterm and final tests.
- Who do I ask? Your tutor first, then the student Telegram group. Use the Console for anything involving credentials or personal data.
